**Subject:** PES Heater expansion project: EPA Preliminary Comments

Ed: Attached, please find EPA's preliminary comments on this project. These comments refer only to the revised PES plan approval application of January 2013. As you understand these are pre-draft comments. We will initiate formal review of the final application and plan approval and review memo upon receipt of these documents. Please feel free to contact Kathleen Cox or Myself if you have any questions. I will be back in the office on Tuesday  
Thanks
